

Educational Interpreter SIG

Conference Report 2013

Chair: Sharon Nodine

Past Chair: Ginger Bennett

Secretary: Angela Sanchez

Editor: Regina Fox

The Educational Interpreter SIG invites all interpreters working in the educational setting Pre-K through post-secondary to join or SIG.

This year we sent out two newsletters. The newsletters included resources, interactive questions from the editor to our members, interpreter spotlights section and announcements for upcoming workshops. The newsletter is sent to SIG members.

We will be holding elections at our SIG meeting for Chair and Editor. Come and be a part of the Educational SIG.

Respectfully submitted,

Sharon Nodine - Chair
