2013 was a busy and productive year:

- A membership drive resulted in 52 members and still growing.
- Hosted one event in Austin and Houston, two in San Marcos, a workshop at Conference, and special dinner in Dallas Friday evening, June 21, 2013.
- Workshops, social gatherings, and community service to deaf senior citizens by way of holiday dinner, and memory garden work.
- IDP conducted a raffle for CODA Conference International (New Orleans – July 25–28, 2013). The winning raffle ticket was won by Alena Newberry, who in turn donated the ticket to someone else.
- Corporate sponsors – Communication By Hands is one of IDP's conference sponsors. San Marcos Interpreting Service for the Deaf sponsored one of IDP's holiday dinners for deaf senior citizens at La Vista Retirement Community.
